Innovative approach to improve TVET quality, relevance and increasing the employability

Presented by: Somlith VIRIVONG
Director of Lao-German Technical School
A dual education system combines apprenticeships in a company and vocational education at a vocational school in one course. This system is practiced in several countries, notably Germany, Austria, Bosnia and Herzegovina, Croatia, Serbia, Slovenia, Macedonia, Montenegro and Switzerland, but also Denmark, the Netherlands and France, and for some years now in China and other countries in Asia.
