- Better cleaning and greening

### I. ACHIEVEMENTS (infrastructure)

- Upgrade of the hand-operated tool Workshop with counterpart funds of 560mio VNĐ (from provincial state budget)
- Purchase and installation of hand-operated tools with GIZ financial support of 1,029mio VNĐ

## Hand-operated Tools Workshop

### I. ACHIEVEMENTS (Training)

- ✓ 32 teachers times participating in GIZ-supported training.
- ✓ 01 course on Workshop Management following the “5S” principle for all practical trainers
- ✓ 02 courses on hand-operated tools, advanced level, of 10 days each.

## OPENING CEREMONY OF A TRAINING COURSE AT THE HAND—OPERATED TOOLS WS

## 1. ACHIVEMENTS: TRAINED TEACHERS/TRAINERS

- ✓ Establishment of a school task force on Workshop Management: application of provided theory on Workshop Management.
- ✓ Organisation

- Continue sending teachers/trainers to project supported training courses.
- Apply gained knowledge into the training, management and re-organisation of training workshops.
- Build project workshop building of 3500M2 according to approved design for installation of project equipment
- Complete list of training equipment for procurement from ODA funds
- Carry out other tasks in line with project plan

- getting land released for building new WS.
- Limited capacity of the training staff: technical, pedagogical and foreign language competences.
- Slow project implementation progress thus the institute can not be proactive in preparing counterpart funds

- **Bac Ninh province:** more supportive conditions for construction of new WS building, more prompt allocation of counterpart funds for relevant activity
- **GDVT:** Speed up project implementation progress.
- **GIZ:** Continue further training courses for teachers/trainers: technical, pedagogical, foreign language.
- Support the finalisation of training equipment list in relation with the institutional Development Plan
