Vietnam Ministry Collects Feedback for Workforce Skill Improvement Plan by 2030

The MoLISA is consulting ministries and agencies about a plan on workforce skill improvement by 2030, vision to 2045. By 2030, the plan aims to standardize occupational skills for some 50% of the workforce and ensure opportunities of occupational skill development and lifelong learning for 70% of the manpower. The ministry aims to compile and update some 500 sets of standards for national occupational skills and 500 sets of queries and tests. It also targets to have 90% of workforce meeting the domestic labour market and 80% of workers get training. ([Dai Doan Ket](#), [Tin Tuc](#), [Dan Sinh](#), [VnEconomy](#), [CafeF](#) Oct 24)

VGCL Devises Plan on Training Efficiency Improvement at TVET Facilities in 2022-2030

At a conference of the Vietnam General Confederation of Labour (VGCL) on October 19, Vice Chairman Ngo Duy Hieu presented a plan on the management renovation and improvement of training efficiency at TVET facilities in 2022-2030. Under the plan, TVET facilities are aimed to provide training to over 40,000 learners each year, with 15% of them of college level, 20% of intermediate level, and 65% of under-three-month primary training. It targets to have 80%-90% of graduates employed. Besides, five intermediate schools are aimed to be upgraded to colleges. ([Lao Dong](#) Oct 19)

Cooperation with Businesses Key to Skilled Workforce Development: Official

Of eight major measures for the enhancement of TVET development, strengthening cooperation with businesses is key to skilled workforce development, Deputy Director General at DVET Pham Vu Quoc Binh said. Echoing the view, Ms. Bui Thi Ninh, Representative of Logistic Vocational Training Advisory Board (LIRC) at the Vietnam Chamber of Commerce and Industry (VCCI) recommended building a joint training pattern between businesses and schools. Principal at the LALIMA 2 International Technology College Nguyen Khanh Cuong shared that his school currently applies many international training models such as those from the UK, Australia, and Germany. Vietnamese, EU Officials Discuss Labour Issues in FTA

Vietnamese Deputy Minister of Labour, War Invalids and Social Affairs Le Van Thanh received Ms. Dora Correia, director for Trade and Sustainable Development at the European Commission, in Hanoi on October 18, during which both sides discussed some labour issues in the EU-Vietnam Free Trade Agreement (EVFTA). Speaking of the country's activities in the International Labour Organization (ILO), Mr. Thanh said that Vietnam has so far attended 25 ILO conventions and is looking to participate in 15 others, including Convention 87 (C087) on the Freedom of Association and Protection of the Right to Organize Convention in 2023. The ministry is closely working with the ILO Office in Hanoi and relevant agencies, including the non-profit German foundation Friedrich-Ebert-Stiftung (FES), to conduct the plan, he added. In terms of child labour prevention, Mr. Thanh said that the program on the prevention and reduction of illegal child labour for the 2021-2025 period, approved by the Vietnamese government last year, is underway nationwide. Ms. Correia, for her part, commended Vietnam's progress in reforming the labour law and ensuring the rights of workers in line with its EVFTA commitments. She pledged support for Vietnam in implementing its commitments to sustainable
